E2M2R

2U 2-Bay Server Rackmount Chassis

Introduction

The E2M2R storage server series rackmount not only has the stylish appearance, but the functionality and flexibility make E2M2R a new breed of storage server. As SAS and SATA technology has become a more cost effective solution, iStarUSA has taken a step forward to prepare the migration of new technology to support both latest SAS and SATA hard drives. iStarUSA also provide redundant power supply to ensure total up time of mission critical server applications.
