- Power Switch at Front
- For Use with All 3.5" SATA I/II HDD
- RAID Level Switch at Front
- RAID 0-Striping Mode: Maximum Speed by Two Simultaneous Writing HDDs
- BIG Mode: Two HDDs Combined and Shown Up as One Single Drive (No RAID)
- RAID 1-Mirroring Mode: Maximum Security by HDD Mirroring
- JBOD Mode: Two Independent Hard Drives (No RAID)

v7AGE220-ETH

2-Bay Trayless RJ-45 Ethernet RAID Box

SPECIFICATION

Model Number	v7AGE220-ETH
RoHS Compliance Version	Yes
HDD Interface	SATA I/ II
Hot-Swap	Both on Host and Device
Connectors	RJ-45 (Ethernet)
LED Display	Power and HDD Activity RAID LEVEL and Connector
Dimension LxWxH (cm)	130 x 117 x 210 mm
Power Supply	Internal 60W
Material	Case: Likeable Soft-coated Metal Front Panel: Plastic
Chipset	Storlink 3516
O.S. Support	Windows 98SE/ME/2000/XP/Vista, Mac OSX
Certifications	TUV/GS, CUL, CE, RoHS
Color	Black/White
RAID Level	RAID 0, 1, JBOD, BIG
Weight	5.5 lbs

PACKAGE CONTENT

- USB 2.0 Cable x 1
- eSATA Cable x 1
- Power Cord x 1
- Manual x1
